21st Annual American Rose Society Miniature National Conference and Rose Show Declared a Success! *by Mary Bates, Publicity Chair*

The American Rose Society 2019 Mini National Convention and Rose Show combined with the Deep South District and TENARKY District Show hosted by Tipton County Rose Friends was a great success. A perfect theme of Music City Roses and the ideal location, Franklin, TN—minutes from Nashville known for legendary country music venues—an exciting convention and rose show with hundreds and hundreds of roses was well received by over 200 attendees from across the nation.

ARS Past President Pat Shanley and ARS President Bob Martin with Melissa Hempel (left) and Lisa Sutton (right) daughters of county music legend, Lynn Anderson and Maverick at Friday night social

Richard Anthony, Chair of the 2019 Mini National Convention and Rose Show along with TENARKY and Deep South District Rose Shows, issues a special thank you to all who attended and brought roses, "Thanks to everyone who worked so hard to make this rose show and convention a special event. We hope we provided something for all rosarians. The response was overwhelming and we appreciate everyone's help. This was a team effort!"

The historic town of Franklin, Williamson County, along with the State of Tennessee issued proclamations designating the weekend of October 4–6 as National Rose Weekend and rosarians flocked to the Marriott Cool Springs to enjoy the beautiful roses and celebrate National Rose Weekend.

The convention started on Friday with an arrangement school. Highly experienced national-level award winning arrangers led the program. Craig Dorschel, National ARS Chair of Arrangement Judges, Nancy Redington, Immediate Past National Chair of Arrangement Judges, Sandy Dixon, a renowned arranger and lecturer, Don Meyers, another renowned arranger from North Carolina, guided attendees with hands-on instruction and evaluation of arrangements that prepared by those attending the day-long session. Several Rosarians updated their judges' credentials, and a number of students tested to become an apprentice arrangement judge.

Friday evening's Wine and Cheese Social gave the attendees the opportunity to mix and mingle. The Brady Hill Band, Middle Tennessee's hottest new country band, played country music on the patio. Lynn Anderson, the trailblazing country legend who held the record for "Top Grossing Song by a Female Artist" for 27 (continued p. 4)

District Director's Report *by Richard J. Anthony*

The 21st Annual ARS Miniature/Miniflora National Convention and Rose Show along with the Tenarky District Rose Show is behind us. I would be remiss if I did not sincerely thank the attendees, committee members and volunteers for making the convention and rose show a success. A lot of hard work, time and effort went into the planning and execution of the convention and rose show in order to make the first weekend in October something to remember for those who attended. Our objective was for those who attended to have fun and enjoy the company of old friends while at the same time to make new friends.

From the numerous positive comments that have been received immediately after the conclusion of the weekend's festivities, this objective was more than accomplished. Between the Tipton County Rose Friends, rose show committee and volunteers from the Deep South and Tenarky Districts all are to be thanked for a job well done. We had a couple of glitches such as running out of vases to a few missing the garden tour; but the numerous positive comments more than compensated for the few glitches we encountered. When a regular attendee to ARS Nationals tell you it was the "best convention and rose show ever" you can't help but smile and feel good about the outcome.

Thank you to everyone who helped make the first weekend in October in Franklin, Tennessee, a very special weekend. Special thanks to Andrew Anthony, Mary Bates, Blann Britton, Steve Campbell, Cindy Dale, Ron Daniels, Stephen Hoy, Joanne Maxheimer, Gus Michalas, Don Myers, Gary Rankin, Nancy Redington, Donna Startzman, Lisa Sutton, Tanya Wilson, Mark Windham and Cindy Worch for going above and beyond in helping to insure the Convention and Rose Show was a complete success. Thank you!

Our next scheduled activity is the Mid-Winter Meeting which will be held at the Franklin Cool Spring Marriott the weekend of February 14-16, 2020. The weekend festivities will have a Valentine's Day flair as it is Valentine's weekend. Bring your wife or husband, significant other or come alone and enjoy the best of the best mid-winter programs that are given around the country by various districts within the ARS. Having either attended or given presentations at all but one ARS Districts, I can honestly say our mid-winter program ranks among the best when compared to other district's programs. Our speakers, CR program and venue all make the weekend what it is; a fun-filled educational and entertaining affair.

2020 Tenarky Mid-Winter Meeting *by Richard J. Anthony*

Mark your calendars now for an exciting fun-filled educational weekend the 14th through the 16th of February, 2020, at the Franklin Cool Springs Marriott in Franklin, TN. Bring your husband or wife, significant other or come alone and enjoy the festivities on Valentine's Day weekend. We will have something special planned for Friday night for those in attendance that will remain a secret until the 14th of February. We will have roses for sale and a photo contest.

We have another great lineup of speakers with **Jon Corkern** discussing the benefits of being an ARS Member, **Baldo Villegas** talking about the world of insects and roses, **Jim Hering** will discuss national level exhibiting compared to the local level, **Mark Windham** giving us an update on Rose Rosette Disease, **Mark Miller** will give a program on Children's Programs and Roses, **Elton Smith** will be talking about soil and soil amendments, **Diane Sommers** will discuss arranging and yours truly will give a program on new roses.

Kathy Brennan will once again guide the CR seminar.

Save the Date!
Tenarky Winter Meeting February 14-16

Consulting Rosarian Corner *by Kathy Brennan, Tennessee Rose Society, ARS Master Rosarian, District Consulting Rosarian Chair*

CHANGES ARE COMING

ARS District CR Chairmen have been asked to update the CR Manual directed by Dave and Gerry Mahoney, National CR Co-Chairmen, along with suggestions by the ARS Board. As of this date, we have completed a two chapters. These changes will be available to download after they are approved and then released by ARS.

Two recent changes are in effect. One is accruing 1-hour credits by attending pre-approved meetings/seminars within the same year. One hour must be chemical safety in order to complete a 4-hour update. Single credits cannot be carried over to the next year. You must work with your District CR Chairman on these 1-hour credits. The second recent change is an individual wanting to become a CR need only to be a member of American Rose Society for two consecutive years instead of three years.

A CR School will be held February 16, 2020, during the Tenarky District Winter Workshop. If you qualify and would like to become an ARS Consulting Rosarian, talk with a CR in your local society for guidance and please get your paperwork to me ASAP!

Tenarky District has CR's needing to update in 2020. Check your status and update year on our website, www.tenarky.org.

REMINDER: It is time to mail yearly CR reports by January 31, 2020, this is a Tenarky District requirement. The one-page short form is found on Tenarky website on the Consulting Rosarians page.

Awards are determined by reports turned in.

CR TIP

After the second hard freeze and making sure roses are dormant, trim down rose bushes to about 4 feet taking off any heavy excessive weight. This reduces the chances of winter wind rocking the bushes which may cause damage to the base of the plant. This is not really a proper pruning.

Then mulch up around the graft or bud union of bushes using a good well-rotted manure, leaf mold or any good mulch/compost that holds together well.

*25 to 28 degrees is a hard freeze, pull off any diseased leaves and put in garbage.

'Sam Jones' Rose

At the Saturday evening banquet of the 2019 Mini National Convention, ARS President Bob Martin, and Cindy Worch, NRS member, presented Nancy Jones a photograph of the new 'Sam Jones' miniflora rose hybridized by Richard J. Anthony, Tenarky District Director and owner of For Love of Roses.

ARS Miniature National Conference and Rose Show *(continued from p. 1)*

years with the song 'I Never Promised You a Rose Garden' was remembered with a beautiful collection of memorabilia by Lisa Sutton, daughter of Lynn Anderson. This beautiful display pleased rose lovers as it included many vintage embroidered rose items such as boots and jackets belonging to the legendary country music singer. Maverick, the life-size horse encrusted with rhinestones and roses with a saddle belonging to Lynn Anderson's grandmother was a big hit with attendees and many had their photos made with him. Be sure to watch the Rhinestone and Roses YouTube Video at: https://www.youtube.com/watch?v=OGYms_-AHF8&feature=youtu.be

The prep rooms opened for exhibitors at 1:00 a.m. for exhibitors who arrived with buckets and buckets of roses and prepared their entries. Roses from all classes of roses were entered, and competition was keen! A novice table was set up and manned by the Nashville Rose Society to assist those who needed some help in entering their roses. Curtis Aumiller, National Photography Judges Chair, oversaw the photography section of the rose show. Congratulations to TENARKY District Photography Winners: See Page__ for complete list of winners. The arrangement classes were full and included the most beautiful arrangements! Again, competition was keen! Congratulations to TENARKY District arrangers who won top awards at the 2019 ARS National Miniature Rose Show and the TENARKY District Rose Show.

Saturday morning, a fantastic line up of national level exhibitors gave presentations on topics of interest including Dr. Mark Windham with a "Rose Rosette Update." Dr Satish Prabhu spoke on "Pruning Your Roses." John Smith, hybridizer of 14 registered roses including 'Randy Scott' and 'Sunny Sundays' spoke on "Fertilizing Your Roses." Linda Clark traveled from California to speak about "Floribundas Make a Show from Garden to Table." John Hefner spoke about "Exhibiting in Challenge Classes." Jeff Wyckoff spoke on "Judging Miniature & Miniflora Roses." Consulting Rosarians attending the seminars were given Certificates of Attendance for each seminar attended.

At the completion of judging, the rose show opened and what a beautiful show it was! Three rose shows at the same time? WOW! This may have well been a first as there were eight (8) courts judged for Queen. There were three (3) National Queens; Miniature, Miniflora and Polyantha along with five (5) District Queens; Hybrid Tea, Floribunda Spray, Shrub Spray, Miniflora and Miniature. There were hundreds of beautiful winning roses and TENARKY rosarians provided several of the winning entries.

The Awards Banquet was a huge success! ARS President Bob Martin gave out many awards and again TENARKY received their share.

A Sunday morning devotional was given by Nancy Jones, ARS Chaplain, on Redemption and Forgiving Others. This short message was very inspirational. The sold-out garden tour on Sunday at several public and private gardens is a true highlight of all ARS National Conferences & Rose Shows Most rosarians enjoy seeing how roses grow in other parts of the country compared to what they grow in their gardens. Others enjoy seeing roses with companion plants. The public gardens included the Belmont Rose Garden which is located at Belmont University in Nashville and is part of the Belmont Mansion and Estate and the Cheekwood Estate & Gardens which includes the Rose Study Garden which is a partnership between Cheekwood and the Nashville Rose Society. Lisa Sutton, daughter of Lynn Anderson, greeted garden tour visitors at the Lynn Anderson Rose Garden that was built to honor the country music star and includes 114 'Lynn Anderson' roses and is located at Woodlawn-Roesch-Patton Memorial Park. Lisa is a member of the Nashville Rose Society and is looking forward to becoming a rosarian and is learning fast. Private gardens included the garden of Ron Daniels, Co-President of the Nashville Rose Society and the tour guide for the garden tour. Ron has been involved in the care and construction of all of the public gardens that were visited during the Sunday garden tour. Ron's garden includes 170 plus roses of all classifications that are intermingled with companion plants. Also included in the garden tour was the garden of Sara Jo Gill with award-winning roses set in the beautifully manicured grounds that feature Bright Hour Horse Farm. An inviting lake with rolling hills and pasture behind were reminders of tranquility beyond imagination. Horses that are trained for Steeplechase were in close proximity as visitors admired the roses in bloom.

TENARKY Local Society News—*Thanks to those who sent news!*

Nashville Rose Society by Marty Reich, Master Rosarian

Nashville had a busy and successful fall. Our second in-house rose show, the Grand Prix, which is to prepare our members to exhibit, brought out more people than ever to exhibit or watch to learn. This led to 35 exhibitors for our regular fall rose show, more than we have had in a long time. In spite of the heat and drought preceding it, the roses were lovely. Joseph Wood from Alabama won Queen with Sunny Sundays as well as quite a few other things. Our members did well in horticulture and the arrangements were beautiful.

In other news, Jim Hering, past ARS President, spoke at our October meeting giving us an overview of the ARS Garden Restoration. He also spoke about the many ways we can contribute to that fund. Ron Daniels worked with Belmont University to build an OGR bed using roses from an order form actually made by Adelia Acklen, builder of the Belmont Mansion. Ron also held the Cheekwood fall workshop on growing and caring for roses which had an audience of 35, and happy attendees were given a vase of roses from our Study Garden to take home.

Congratulations to all of our members who won in the convention show as well as getting awards from ARS.

Tri-State Rose Society by Ann Bartlett, President

Here in the Tennessee Valley we've had quite a year weather wise. We had an overabundance of rain the first half of the year and now are in the midst of a "flash drought". Keeping up with irrigation needs along with a record breaking autumn heatwave has been a challenge. Oh well, we gardeners can do nothing about the weather.

Our club has enjoyed a terrific array of programs thanks to the tireless efforts of our vice president Cindy Garrett. We are also very fortunate to have a fabulous hospitality team providing us with beautifully presented, delicious refreshments to kickoff each gathering. The photo at right is of roses our members brought to the October meeting.

This month we will welcome a fresh leadership team for 2020. I know they are already planning for the new year.

Tipton County Rose Friends by Richard J. Anthony, President

Our group of 20 members, all except one who lives in states other than TN, along with numerous Deep South and Tenarky District volunteers, pulled off the impossible by hosting the 2019 ARS Miniature/Miniflora National Convention & Rose Show along with the combined Deep South & Tenarky District Rose Show. It was not without a few glitches but the comments received after all was said and done ranged from "Great Convention & Rose Show" to the "Best ARS Mini Convention ever" plus several other favorable accolades. Our objective was for everyone to have fun and to enjoy the company of old friends while making new ones was certainly achieved. TCRF meets the 4th Tuesday of each month at 7:00 PM at the Dyersburg State Community College on Route 51 in Covington, TN.

Memphis and Dixie Rose Society by Bill Dickerson, President

Memphis and Dixie Rose Society has been laying low the past few months. The 90 degree weather and no rain for close to 6 weeks was hard on roses as well as older members. Peggy Bingham fell and broke her hip a few months back. She is recovering slowly (her words) but is getting around now. Our October meeting was held at her house. Members helped dead head and weed along with digging up a couple of bushes that had the dreaded Witch's Broom. Now the cold has hit and fall sneaked out of town!

TENARKY Local Society News—Thanks to those who sent news!

Tennessee Rose Society by Mary Frances Carlson, Publicity

Members of the Tennessee Rose Society have enjoyed many good programs this year and are thinking about putting our roses to bed for the winter and preparing for the upcoming holidays.

Our own Mike Thompson, ARS Judge and owner of Fairbanks Nursery, takes care of many of our roses so in September, he had us thinking about what to do this fall to have beautiful roses next year. To be ready for the holidays, Vivian Nowading, a regular presenter with 40 years of experience as a floral designer at the same Knoxville Kroger Store, encouraged us with another demonstration and talk about beautiful arrangements that we can do. We will wind down the year of programs with a panel discussion in November entitled "Lessons Learned from Past, Present, and for the Future." Kathy Brennan, Master Consulting Rosarian, will facilitate the discussion led by other consulting rosarians and TRS members.

President Ken Veal is keeping plans a secret for the annual Christmas dinner at Fox Den Country Club, so we wait excitedly to end a good year in TRS!

Cookeville Area Rose Society by Nancy Lazer, Newsletter Editor

The Cookeville Area Rose Society's September meeting was a trip to visit Dr. Mark Windham and his staff at the Tennessee Agricultural Experiment Station, U.T. Plateau Ag Research and Education Center, in Crossville, Tennessee. Dr. Windham and his staff gave a very interesting tour and information session for CARS members.

TENARKY Local Society News—Thanks to those who sent news!

Bowing Green Rose Society by Mary Ann Hext, Newsletter Editor

From June through November, BGRS members bring roses to enter in our monthly in-club competition which gives us an opportunity to see what each of us are growing and to share our roses and rose growing practices with each other. It also gives us an opportunity to practice for any future roses shows. This year our participation has greatly increased and we have a beautiful little rose show at each meeting that includes seven classes and also includes an arrangement class. At our August meeting, Ron Daniels, co-president of the Nashville Rose Society, spoke to us about growing good roses. Linda Jansing, from the Louisville Rose Society, spoke to us on rose photography at our October meeting.

We continue to maintain our public rose garden at Riverwalk Park thanks to the efforts of Dan and Cindy Wernigk and Bob and Ann Jacobs and others who keep it looking lovely for our visitors.

During the fall rose show season, several members exhibited at fall shows including the Louisville, Nashville, and Huntsville Rose Shows and the ARS Miniature National and Tenarky District show, bringing home many ribbons and certificates.

Louisville Rose Society by Janet Miller, President

The Louisville Rose Society will end this season with 70 members. We had many opportunities to share our rose love in 2019.

Summer garden tours and meetings were well attended. Our newsletter is a big draw. Richard and Cheryl Hartke have produced our newsletter “Rose Leaves” for over 20 years and in 2018 turned over their duties to Linda Jansing. Richard and Cheryl were recognized for their many years of service with an excellence award from the members (pictured).

Paula Williams won two Queens at our own show in September! I think Paula sees herself mainly as an arranger. She may have to change her mind about her priorities now.

Some of our members attended the Nashville show. A few of us participated in the Mini-National /Tenarky Show in October. What a display! One issue I continue to reflect on was the morning of the show during the grooming time. It quickly became apparent that there would not be enough vases or exhibitor tags. People started sharing and just like the loaves and the fishes, all of a sudden there was enough! What a memory!!

Back in Louisville at our October meeting, we were lucky to have John Hefner speak to us about exhibiting. John and Donna brought many beautiful miniature blooms with which to demonstrate his techniques. We had a workshop with all those beautiful blooms. It’s amazing how much information he shared. Watch out exhibitors! Louisville rosarians have upped our game thanks to John and Donna.

Another successful year for the Louisville Rose Society!
