

TENARKY DISTRICT ARRANGEMENT WORKSHOP

June 2-3, 2023

Hampton Inn Pleasant View, Tennessee

The Tenarky District is hosting a workshop for anyone wanting to learn more about creating arrangements following ARS guidelines. We are so excited to share that our guest instructor will be Gerry Mahoney, president of the Glendale (AZ) Rose Society and Arrangements Chair for the Pacific Northwest District of the American Rose Society.

Among the topics we will dive into are principles and elements of design, traditional and modern designs, including parallel and stretch modern designs, containers and mechanics. These will be hands on for attendees. We also plan to offer a container swap for those containers that you find you no longer use. We will supply roses, greenery, filler, and additional line and plant material. However, attendees are encouraged to bring plant material from their gardens as well for themselves and to share. Attendees should also bring a traditional and modern type container if possible. If you cannot, we will have extras. And if you have that gorgeous container that you just can't figure out what to do with, bring that as well. We will focus on some of those!

For those planning to drive in on Saturday morning we will have a brief welcome and announcements at 8:30 a.m. and plan to start the seminar at 9 a.m. ending at 4:30 p.m. Below is the tentative schedule:

Friday, June 2

- 6:00 – 8:00 p.m. Working with 'challenging' containers

Saturday, June 3

- 8:30 a.m. Welcome, announcements
- 9:00 a.m. Principles and elements of design
