

2017 TENARKY WINTER WORKSHOP

CONSULTING ROSARIAN SCHOOL INFORMATION

The CR School on Sunday is included in your registration. We have excellent presenters and you can come for rose education, to receive credit for CR recertification, or to take the test to become a new CR.

If you plan to take the test, be sure to send the required documentation from the ARS website to Kathy Brennan immediately. If your CR status has expired, a fifth year may be given under certain circumstances; but after the fifth year, an expired CR must be dropped from the active CR list and will need to attend a school (no test) to become current (*from the ARS CR Chair*). Please contact Kathy if you have questions about your status.

Here are links to obtain the ARS forms to send to Kathy if you plan to take the CR test.
